

Birding In Assam & Meghalaya

Duration : 8 Nights / 9 Days

Destinations : Dibrugarh - Tinsukia - Guijan - Kaziranga - Shillong - Cherrapunjee - Shillong - Guwahati airport

Day 01: Dibrugarh

Come to the Dibrugarh airport and from there, drive to Tinsukia. Stay overnight.

Day 02: Tinsukia - Guijan

Have breakfast in the morning and go to Guijan by boat. It is a charming journey. You can have a wonderful sailing trip by the Dibru-Saikhowa River. You can see various bird species such as Paddy field Warbler; Black breasted Parrotbill, Smokey Warbler, and Jerdon's Babbler and so on. Come to Urmila Continental and stay.

Day 03: Guijan - Kaziranga

Make driving trips to Kaziranga which takes around 6 hours. Stay at the Aranya forest bungalow.

Day 04: Kaziranga

In the morning, embark on elephant safari trips. Later you will undertake 2 jeep safari trips. Stay at the forest lodge.

Day 05: Kaziranga

Make jeep safaris on the eastern part of Kaziranga. This region is ideal for bird watching trips. You can see a number of bird species such as Grey Headed Fishing Eagle, Crested Serpent Eagle, Greater Adjutant Stork, Whistling Teal, Pelicans, Bar Headed Geese and other species. If you are lucky, you can also see the rare Bengal Floricans. Come to the lodge for lunch. Later in the day, make trips to the central or western range.

Day 06: Kaziranga - Shillong

On day 6, make driving trips to Shillong, the capital of Meghalaya. Stay at Hotel Polo Towers.

Day 07: Shillong - Cherrapunjee - Shillong

In the morning, make driving trips to Cherrapunjee. It takes around 2 hours to drive from Shillong to Cherrapunjee. It is the wettest place in the world. Here you can see a number of bird species like Dark Rumped Swift and so on. You can also go to the nearby forest and the Mawsmi cave for watching the Babblers. Stay at Shillong after returning.

Day 08: Shillong

In the morning, go to the Shillong peak and the nearby football ground. Here you can see some birds like Russet Sparrows, Spotted Forktail, Tawny-breasted Wren Babbler, Blue Throated Barbets, Orange Bellied Leafbirds, Green-backed Tits, and Yellow-cheeked Tits and so on. If you are lucky, you can also see Sunbirds. Stay at Shillong for the night.

Day 9: Shillong - Guwahati

At dawn, make trips from Shillong to Guwahati and reach the airport. It is around 130 kms away. From the airport, take the flight to New Delhi, Mumbai, Kolkata or Bagdogra.
